CeBit 2011 invitation

CeBit opens its gates again:
the 1st of March, in Hannover, Germany.

We are a strong and dynamic enterprise with emphasis on the development of IT solutions with the newest technologies for complex business procedures.

We present a new product

MANAGED NEARSHORE Top quality

Software development, Software maintenance and Server maintenance (ITIL)

With this innovative product your costs decrease, avoid problems like language barriers or cultural differences and offer a higher quality for your projects!

We can assign from our German local office, for your special project, consultants and project managers with high proved experience into German projects.

We invite you cordially to meet Ropardo S.R.L. in **Hall 5, Booth B48**.

To facilitate our scheduling, we kindly ask you to answer us by filling in the next page and faxing it back to us.

We look forward to meet you and wish you a good journey to the fair in Hannover!

Drd. Dipl. Ing. Ciprian Candea

ISV/Software Solutions
