Press release

15 young pupils from Sibiu – winners at INFOLICEANUL 2006

Between April 28 and 29 the informatics contest **Infoliceanul** took place at **Grupul Scolar Avram Iancu** Sibiu. 62 pupils from 6 secondary schools participated.

The first prizes went to: Mihai Coman, for “Creativity – educational software”; Alexandru Cocieru, for “Creativity – web pages”; Dragos-Ilie Anghelina and Mihai Brasovean for “On the spot web pages” and Cosmin Lazar, for “On the spot PowerPoint presentations”.

The winning projects are available on www.sibiu-online.ro, on the **Infoliceanul** page. Teacher Monica Tripon, project coordinator, says “As the winning projects show, young people manifested their passion and creativity. We are now looking forward to the 2007 contest.”

Wittmann&Partner Computer Systems Sibiu financed the prizes for the winning projects.

Ciprian Candea, General Manager Wittmann&Partner, says: “We congratulate Grupul Scolar Avram Iancu Sibiu for organizing the 13th edition of the contest. We thank the participants for competing in the spirit of the motto **Keep IT simple! Keep IT Young!** We wish them good luck for the next edition and in their future IT carrier!”

Wittmann & Partner specializes in developing, implementing and maintenance of Internet, Intranet and client-server applications for Windows and Linux/Unix platforms, on demand or as independent products: the knowledge management solution **Connect**, the ERP solution for SMEs **iFinance**, the project management solution **iManagement**. The company offers competitive IT systems for companies and institutions from Romania, Germany, France, Great Britain and Italy.
