Wittmann & Partner Computer Systems will participate at CeBIT, The International Fair for Information Technology and Communications

Between 22 and 28 of March there will take place CeBIT 2001, an event organized in the Northern Germany, at Hanover. The fair will gather companies from 62 countries. Wittmann & Partner will present eyeKNOW, a document management product.

About Wittmann & Partner

 Our company was set up from a joint venture between AIRG Sibiu and Wittmann EDV-Systeme GmbH on 1st *September 2000* and the name changed in "Wittmann & Partner Computer Systems" (WPCS). With this alliance Wittmann & Partner gained two major advantages. First is the new know-how that we received from German side and second is that we are able to increase the quality of services to the western standards.

Wittmann & Partner is a provider of global software development, implementation and maintenance, outsourcing for clients all over the world. Our focus is on developing and implementing Internet, Intranets and client-server applications for Windows and Linux/Unix platforms. The actual staff is able to provide expertise in a large range of technologies and programming languages. Companies from Germany, UK, Italy, France and Romania have chosen us as their trusted partner for software development.

The headquarter is located in Sibiu, Transylvania, in the center of Romania.
