## **Wittmann & Partner Computer Systems will participate at BINARY 2001, the Romanian National Exhibition for Software and Electronic Production Evaluation**

Between 3 and 5 of October there will take place Binary 2001, an event that is organized at Romexpo Bucharest by ARIES - the Romanian Association for Software and Electronic Industry. The main product to be promoted at the exhibition is SEA. The national fair hosts 80 software companies from our country, an opportunity for future partnerships.

### **About SEA**

Search Engine Agents is a multi-agent system that helps you working with databases from inside or outside of the company, a solution that improves the classical method of searching, recovering and processing the information you need. By efficacious and simultaneous utilization of the best technologies of indexing and recovering, SEA offers new functions of Artificial Intelligence. SEA helps you easily find the information and it stores the results on the workstation, organizing them in a clear manner, automatically eliminating the duplicates.

### **About Wittmann & Partner**

Our company was set up from a joint venture between AIRG Sibiu and Wittmann EDV-Systeme GmbH on 1st *September 2000* and the name changed in "Wittmann & Partner Computer Systems" (WPCS). With this alliance Wittmann & Partner gained two major advantages. First is the new know-how that we received from German side and second is that we are able to increase the quality of services to the western standards.

Wittmann & Partner is a provider of global software development, implementation and maintenance, outsourcing for clients all over the world. Our focus is on developing and implementing Internet, Intranets and client-server applications for Windows and Linux/Unix platforms. The actual staff is able to provide expertise in a large range of technologies and programming languages. Companies from Germany, UK, Italy, France and Romania have chosen us as their trusted partner for software development.

The headquarter is located in Sibiu, Transylvania, in the center of Romania.
