## **Wittmann & Partner Computer Systems will participate at Systems 2004 - The International Exhibition for IT, Media and Communications**

Between 18 and 22 October 2004 Wittmann & Partner Computer Systems will participate at Systems 2004, an event that will be sheltered by the exhibition complex Neue Messe Neue Messe in Munich. According to the organizational staff, 99% of the participants are specialists, 71% with decisional competences in IT business. In 2004, the exhibition stands under the sign of UE consolidation. The main topic will be the specific needs of the new EU member countries.

### **About Wittmann & Partner**

Our company was set up from a joint venture between AIRG Sibiu and Wittmann EDV-Systeme GmbH on 1st *September 2000* and the name changed in "Wittmann & Partner Computer Systems" (WPCS). With this alliance Wittmann & Partner gained two major advantages. First is the new know-how that we received from German side and second is that we are able to increase the quality of services to the western standards.

Wittmann & Partner is a provider of global software development, implementation and maintenance, outsourcing for clients all over the world. Our focus is on developing and implementing Internet, Intranets and client-server applications for Windows and Linux/Unix platforms. The actual staff is able to provide expertise in a large range of technologies and programming languages. Companies from Germany, UK, Italy, France and Romania have chosen us as their trusted partner for software development.

The headquarter is located in Sibiu, Transylvania, in the center of Romania.
