

Press release

**Wittmann & Partner participates at SYSTEMS 2005,
24 - 28 October, München**

Hall A3, Stand 21 (Romanian National Stall, 454)

Sibiu, 19 October 2005. Between 24 and 28 October 2005, Wittmann & Partner participates at the Business-to-Business Trade Fair SYSTEMS 2005, exhibition sheltered by the Neue Messe exhibit complex, München (at the Romanian National Stall 454 - Hall A3, Stand 21).

We are a strong and dynamic enterprise with emphasis in the development of IT solutions with newest technologies for complex business procedures. We seek for partners in order to facilitate them lower their costs, minimize their risks and increase their value. We offer individual solutions from Outtasking through Outsourcing (Part-/ Full-) up to the purchase of their IT services.

It's not just about another business.

It's about making a business in TIME.

It's about achieving a high QUALITY.

It's about doing everything with a lower BUDGET.

The company offers services for software development, IT consultancy services, application reengineering, open source software development, web applications and software localization for Romanian market. Based on projects needs we use following technologies: **Java and J2EE, .NET – all Microsoft technologies, Lotus Notes Domino, Microsoft SQL Server 2000, Oracle 9 and 10, PowerBuilder, Typo3 / osCommerce, HTML/XML, Linux and Windows 2003 Server.**

For customer projects we come with experience in next domains but not limited to: Document & Knowledge Management (KM), Enterprise Resources Planning (ERP), Customer Relationship Management (CRM), Financial Management/Accounting, Intelligent Manufacturing System (IMS), Group Decision Support System (GDSS), and Design & Multimedia.

About Wittmann & Partner

Wittmann & Partner is a company located in **Sibiu, Transylvania**, in the center of Romania. We focus on developing and implementing Internet, Intranet and client-server applications for Windows, Linux/Unix and Lotus Notes platforms.

We have over 11 years experience and our programmers are certified by Microsoft – we are **Microsoft Certified Partner** since 2001 and **IBM Business Partner** since 2001. Our customers are companies from Germany, UK, Italy, France and Romania: large, small and middle companies, institutions from the public administration or the academic environment.

Thank you for your time.
