

25.03.2009

PRESS RELEASE

Ropardo S.R.L. invites you to ” **Crisis as a Chance. Strategies and Decisions**” conference.

On the first April 2009, **Ropardo S.R.L.** organizes the conference with subject ” Crisis as a Chance. Strategies and Decisions”. The conference will take place at the Golden Tulip Hotel Sibiu, Goga Hall, starting at 10:00 am.

The conference is dedicated to general managers and economic managers, as well to IT specialists from dynamic companies, Transylvania region.

The motto for this event is ” **Crisis as a Chance. Strategies and Decisions**”. We discuss how a performance IT infrastructure ensures business growth even in time of crisis. The chance consists in optimizing the operating cost and using the right IT solutions for taking decisions that support business processes.

Ropardo S.R.L. presents itself as a partner who provides IT solutions for:

- hardware/software infrastructure
- preservation, processing and reliable performance for management and financial data: iERP
- decisional support using “Business Intelligence” techniques: iS
- document and knowledge management: iDocument
