## **PRESS RELEASE**

Wittmann&Partner invites you to the conference **iSolutions for business management**

On November 23rd, **Wittmann&Partner** organises, as **IBM Business Partner**, the conference iSolutions for business management. This will take place at Continental Hotel in Sibiu, starting at 10 o'clock.

The conference is at its second edition and is dedicated to both managers and IT specialists from dynamic companies in Sibiu and neighbouring counties.

The event motto is '**The truth about the IT needs of competitive companies. We introduce ourselves, than we listen to you.**' We propose to discuss the way in which a competitive IT infrastructure sustains business and profit growth, having as starting point companies needs as well as our experience and expertise.

Wittmann&Partner is the IT partner able to offer complete solutions for:

- hardware/software infrastructure on IBM technology
- ERP: iFinance
- project success, on time and within budget: iManagement
- organisation document and knowledge management: Connect
- personnel training : explicanto.
